CALL FOR PAPERS
International Conference on Industrial Electronics, Technology & Automation IETA2001
19-21 December 2001
CAIRO, EGYPT
http://www.bridgeport.edu/sed/ieta2001
ieta2001@bridgeport.edu
Co-Sponsored by: Electronics Research Inst, ERI, Egypt
IEEE Industrial Electronics Society
University of Bridgeport

International Advisory Committee Chair
Hadi Akeel, FANUC, USA

International Liaisons

Mohamed Kamel, UW, Canada
Spyros Tzafestas, NTUA, Greece,
Toshio Fukuda, NU, Japan
Saeid Nahavandi, SET, Australia
Farouk Ismail, CU, Egypt
Abdullah Almojel, Ministry of
  Higher Education, Saudi Arabia

Finance Chair
Aziza M. .Zaki, ERI, Egypt

Local Organization chair
Samia A. Mashaly, ERI, Egypt

Special Events chair
Faeka M.H.Khater, ERI, Egypt

Workshops & Tutorials chair
Magdy A.Bayoumi, USL, USA

Plenary & invited talks chair
Kimon P. Valavanis, TUC, Greece

Invited/Special sessions chair
Amal Z.Mohamed, ERI, Egypt

Exhibit chair
Hamed El-Simary, ERI, Egypt

Awards chair
Peter B. Luh, UCONN, USA

Video Track chair
Chair: Bassem Alhalabi, FAU, USA
Co-chair: Khaled Hamza, FAU, USA

Registration chair
Mahmoud Salem, ERI, Egypt

WWW
Chair: Mostafa Aref, UB, USA
Co-chair: Matanya Elchanani, UB, USA

Publication chair
Mona N.Eskander, ERI, Egypt

Publicity chair
Imre Rudas, BDP, Hungary
Co-chair: Alaa Elsayad, ERI, Egypt

Main Theme

The purpose of the Conference is to provide a forum for presentation and discussion of the state–of the–art in Industrial Electronics, Industrial Technologies and Automation. In addition, it serves as a conduit for channeling advanced technology to the region. The topics of the conference include, but are not limited to:

Advanced and distributed Control Systems	Sensors and Actuators	Advances in Manufacturing Systems
Intelligent Control Systems (NN, FL, GA, ..etc)	Sensors Fusion	Industrial Applications of Multi Media
Expert Systems	Power Electronics	Intelligent Systems Instrumentation
Man Machine Interaction	High Frequency Converters	Industrial Instrumentation
Data Fusion	Motors and Drives	Modeling and Simulation
Factory Automation	Power Converters	Signal Processing
Robotics	Power Devices and Components	Image and Data Processing
Motion Control	Electric Vehicles and Intelligent Transportation	VR and Parallel systems
Machine Vision	Process Automation	Others
MEMS	Factory Communication	
	Manufacturing Information System	

Papers / Videos / Tutorials / Workshops/ Special sessions Submission

Prospective authors are invited to submit **full paper(s)** electronically through the conference website at http://www.bridgeport.edu/sed/ieta2001 Accepted paper(s) must be presented at the conference by one of the authors. The conference page contains information regarding submission of videos, special sessions, tutorials, and workshops proposals.
