

IEEE Power Electronics Society Electronics Transformers Technical Committee

Notice of Meeting

Location: EMCW
Adam's Mark Hotel
400 North Olive St
Dallas Texas

Dates: March 15 & 16, 1999
March 15 Majestic 5 Room
March 16 Majestic 6 Room

The Electronics Transformers Technical Committee of the IEEE Electronics Power Society promotes a better understanding of electronics transformers and other magnetic apparatus through technical sessions and publications, including IEEE standards.

	Monday, March 15, 1998	Tuesday, March 16, 1998
Morning	8:30 – 9:00 <u>Administrative Discussion</u> MW A-Status of reports B-Sales C-Short Discussion of each standard D-Discussion on adding Auto-transformers to STD 295 9:00 Inductor Standard - Scope Review -	8:30 – 11:30 <u>Recommended Practices for Planar Magnetics</u> LB By Ashraf Lofti ? DR Standards Relationship to other standards (IEC, TIA, etc.) MW
	12:00 - 1:15 Lunch	
Afternoon	1:00 – 4:00 Transformer Tests (STD 389) AS LB MW	1:00 – 2:00 Standards Relationship to other standards (IEC, TIA, etc.) 2:00 – 3:00 ETTC Meeting
Evening	6:30 - 9:00 Informal ETTC Dinner	

The lunch on Monday will be in the same room as the meetings. Please contact John DeCramer for any special needs for presentations. There will be an overhead projector and screen in the room.
